

Next generation in daily small area scrubbing and drying

SC351 is adding next generation performance to a century of Nilfisk traditions for trusted and reliable cleaning equipment. Ideally suited for cleaning of hotels, schools, small shops, offices, canteens and coffee shops, SC351 is offering unique performance in a small and handy machine. Drop the mop, single disc or heavy, expensive machines and achieve remarkable results with Nilfisk SC351:

- Low noise level for daytime cleaning, even in noise-sensitive areas
- Easy adjustable deck for a perfect traction control
- Adjustable water flow
- Fast and simple maintenance
- Clear recovery lid for easy inspection and function control
- Ergonomic, adjustable and foldable handle for easy transport and storage
- Extremely compact
- Roller bumpers for near to wall cleaning
- Real two tank system
- Patent Elastic Strap System to easily install and remove squeegee blades
- Battery level indicator

Picture shown may not represent model quoted

SC351 is offering both forward and backward scrubbing and drying with an impressive brush pressure of 27 kg. Easy to see how useful this feature is for cleaning in crowded places, between and behind tables, shelves, furniture and in other less accessible areas.
