

Steam cleaner for multi-purpose indoor/outdoor cleaning and disinfection

The SO range is ideal for applications where only steam cleaning with no water pick-up is needed. Cleaned areas can be left to dry and chemicals are not needed for additional sanitization effects.

- Stainless steel frame and cabinet.
- Continuous fill boiler.
- Steam control switch.
- Automatic safety shut off.
- Clear pressure display.
- Locking front castors.
- Simple operator controls

Steam Only - steam cleaner unit. The SO4500 is a compact and robust steam cleaner for commercial use. It is designed for light to medium soiled areas and is suited to all sectors of industry and commerce where vacuum recovery is not required.
